

What is ADPAAS?

ADPAAS is the Army Disaster Personnel Accountability and Assessment System. It is a website designed to help Army personnel and their families directly affected by natural and man-made disasters.

ADPAAS allows personnel to do the following:

- Update Accounting Status
- Update Contact Information
- Update Displaced (Safe Haven) Location
- Update Family Member Information
- Submit a Needs Assessment Survey

Why is ADPAAS needed?

- ADPAAS provides a tool to report your status, current location, update emergency contact information and request assistance.
- ADPAAS helps the Army leadership to account for personnel and to make decisions that support you and your family.

Additional Resources

- **Home Page** – for timely, up to date information
- **Reference Library** - useful websites and phone numbers

Who can use ADPAAS?

ADPAAS is available for all Department of the Army affiliated personnel and their Family Members. This includes, Active Duty, Selected Reserves, National Guard, DA Civilians, OCONUS DA Contractors, Non-Appropriated Fund employees and their Family Members.
